

In compliance with the mission and objectives of OMAINTEC ,and in order to promote global collaboration in the field of assets maintenance, its management and to communicate knowledge where needed , in order to accomplish the mission of serving the profession ,as well as serving share holders ,all stake holders to provide experience ,experience as appropriate..... Two leading professional of OMAINTEC's board members for this year ,Namely the chairman: Dr Mohammad M. Al Fouzan and the VICE Chair: Dr Zohair M. Al Sarraj accompanied by the Secretary General of OMAINTEC: Dr Mahmoud Adel Al Madani attend the world Maintenance Forum (WMF) from the 26th November till the 28th ,2009 in Gunongzhous China .

The focus of the Forum were the following four Areas:

Industrial maintenance

Maintenance of infrastructure

Maintenance of world heritage

Education and Training

With the aim of repositioning of maintenance activities through out the world by promoting local markets in all countries with innovative solutions such as proactive maintenance and it's solutions, methodology and priorities. As well as creating an international net work of experts, training and education on all levels ,with the vision of "**THINK Global and Act Local**"

The OMAINTEC team during their stay in china , participated on the 28th,2009, in a full day panel discussion. More over presented the Role ,objectives ,and achievement of the Arab institute of maintenance . Both the presentation and the booth ;(see the attached pictures)assigned for OMAINTEC during the Forum, high lighted the maintenance management and activities in the middle east and the Arab world ,as well as the role of the current general assembly membership and the elected board membership.

It is worth while to indicate that the forum come up with a deceleration of Gounangzhous (copy attached) ; which was cosigned by the chairman and the vice chairman with the leadership attended the Forum. This action is a recognition of OMAINTEC leadership and their participation as one of the major contributors to the forum and its objectives world wide.
